Quilcene, Quilcene, WA

Have you ever dreamed of renovating a 1950's cabin along a scenic Bay? Terraced land steps you up from Quilcene Bay to a picturesque location overlooking the Olympics. In need of some serious TLC but with serious potential, this property is on the market for the very first time. Set amongst the trees and lovely neighboring homes, this 2 bed 1 bath home is in need of a full overhaul. But with an older septic and a well already in place, upgrading and remodeling/rebuilding this home and these systems can be more straightforward than developing raw land. Are you the one with the vision to bring this property back to life? Your efforts will surely be rewarded!
