Auburn, Auburn, WA

This hidden gem amongst other homes tucked into this secluded neighborhood has a quiet setting for this sweat equity earning property. Location and potential is key for this well taken care of home that sports an addition off the back with a loft and an indoor hot tub room with a shower. This 3 bedroom was converted into a 2 bedroom and could easily be turned back into a 3 bed with very little work. The open family room and loft area has an incredible wood-burning fireplace that was used to heat the entire home during the winter.
