3 Bedroom, 1 Bathroom, 1,030 sqft

Residential on 0.15 Acres

Wenatchee, Wenatchee, WA

Come and take a look at this quaint home located close to schools and the hospital and minutes from downtown! A low maintenance front yard and cozy seating area greet you as you arrive. The living room features large glass windows with lovely views of Saddle Rock and the hills. All 3 bedrooms still have original hardwood floors that add a classic touch. Step out the sliding door onto a deck in the fully fenced yard and enjoy the privacy the backyard has to offer. The one car garage is currently behind the fence in the alley, but would be easy to adjust the fence to allow parking inside. There is also a shaded patio with a fireplace off the garage to entertain or relax at the end of the day. 2 small sheds provide additional storage.
