Hidden Gem with Stunning Mountain & Sound Views! Step into this ultra private mid-century oasis on a secluded street just above Alki Beach. Tasteful upgrades include stainless steel appliances, granite countertops, newly refinished hardwood floors & remodeled bathrooms. Entertaining, both inside & out, is easy with gorgeous views from the large spacious deck. Thoughtful touches such as the original stone fireplace & mahogany cabinetry keep the mid-century vibe intact. A new heat pump system for warmth & Central A/C for our warm summer days provides comfort throughout the year. Lower level, with completely new flooring & separate access, works wonderfully for extended guests or as a potential rental unit for additional income!
