Raymond, Raymond, WA

282 & 290 Butte Creek Road For Sale! It already has a septic, 2 Wells, and room to make it your own. If you’re looking for a piece of land with a head start, this property might be worth a look. A gravel driveway that could use some sprucing up, the land is partially cleared, making it easier to imagine a future home or cabin. In the meantime, it works well as a camping spot with some nice extras: picnic tables already in place, a big fire ring, great for gathering and also handy for clearing brush. Both an upper and lower area, giving you options for how you want to use it. It’s not fully finished, but that’s part of the opportunity – you can shape it to fit your plans, whether that’s building, camping, or just having a private retreat.
