Uplake, Kenmore, WA

3440 sq ft, mid-century modern, 5+ brdm/2.5 bath home on 11,800 sq ft, nearly-level, fenced lot perched on a quiet street w/ breathtaking 180 degree views of Lake Washington. Freshly painted inside & out, new carpeting downstairs, main floor original hardwoods just refinished, and a beautifully refurbished 360 sq ft, water view deck. Lower level offers a separate den/library area, a kitchenette with pass-through for snacks and bonus/flex room for potential non-conforming 6th bedroom. Desirable Northshore School District. A very rare combination of an incredible location on a lovely, peaceful street, a nice, large home with amazing personal and shared spaces, a huge, fenced yard, and sweeping lake and territorial views.
