Wenatchee, Wenatchee, WA

This thoughtfully renovated 1980 tri-level home showcases the perfect blend of timeless charm and modern upgrades, thanks to a full-scale professional renovation in 2024. Step inside to discover raised ceilings in the kitchen and dining areas, intentionally opened to expose the original beam, adding architectural interest and a sense of airiness. The gorgeous primary en-suite is a standout, custom cabinetry, and a closet system designed to impress. A brand-new slider opens to your private backyard haven, where mature landscaping includes lush blueberry bushes, a beautiful gazebo, and space to relax or entertain. Practical updates include a new roof (October 2023), a 30-amp RV outlet with dedicated parking.
